Comeback? I wasn't aware I ever really left. When was the period that you consider to be my comeback, so I know in what time to search for?

The only things that are truly archived are the HoF topics, and there's an (unwritten?) rule not to post in those. Anything that doesn't end up there eventually gets bumped a few years later and gets abused anyway (if it was a worthwhile topic) or forgotten (if it wasn't).
