The answer to all your questions could have been easily found in the stickies in this subforum:
http://www.renegadeforums.com/index.php?t=thread&frm_id=7&rid=4882

Welcome back to Renegade . If you'd like it, I still have about 10 new copies of Renegade laying around. I could sell you an unused, valid serial for 5 €. Or you could go and buy it at amazon.com or other webstores for the same prize.
