about time sumone had guts to put a collar around the
biblethumping guntotting racist hicks & dragged into modern times .next they must go for da
guns.

Let me ask you something, if I called you a "city-dog knifing slumliving disrespecting racist sack of
trash", would you not be A. offended or B. saying "RACIST! "? I am not saying that you are any of
the above listed, but your words, for some reason, scream RACIST AND IGNORANT.

Edit:Also, not all Republicans are even of the christian faith. I know plenty of Jewish Republicans.

Also, limiting the guns people can have MIGHT be a good movement, but if you look at states with
low gun-crime rates like Texas, there are laws where you can shoot people if they point a gun at
you. So long as you don't shoot to kill.

Trolls: 1 -- Conservifags: 0

Also, nobody said anything about the christian faith. All he said was "biblethumping", and as far as
I know Jews have their own bibles to thump.
