0x90 wrote on Wed, 12 May 2010 22:18if the majority really wants me to leave you wont even have to ban me, i'd leave voluntarily.

I put it to you that the majority doesn't want you doing anything further to fuck this game up. So, voluntarily leave this game and everything related to it and don't come back. Thanks.

Or, if you want a 'coding challenge', then I don't know why you wanna make cheats... lots of idiots have done that. Make a really good anti-cheat instead, or maybe you don't have the skill?

0x90 wrote on Wed, 12 May 2010 22:18in fact, when i was posting anything here at all i always tried to be as polite, objective and helpful as possible and the people who actually took the time to talk to me - and are not just flaming - should know that already.  
doesn't mean you aren't pondlife, just means you're two-faced dishonest pondlife.
