i'm not sure about the "abundance of charm and wit", but other than that i think we may indeed be dealing with a sociopath. so far there's only been three other people in renegade i've thought (and said) do have serious psychological disorders, so i don't just say that as a random insult.

to dover and carrier... perhaps we can hear a little less about why the fact his destruction of this game is supposedly unstoppable is a reason not to take a clear and palpable stand against him.
