Any one who thinks he should be banned is either misinformed or completely retarded. some of the things you've said about 0x90 along these lines are not just ridiculous, they're insultingly ridiculous
From you yes.

Why didn't this topic stay locked? It has no purpose.

That's a little ridiculous. I see why you don't want to just ban someone, but to imply that what Spoony is saying about 0x90 is "ridiculous"... come on.

Really, I see Spoony's point of view. Sure, 0x90 hasn't broken rules here exactly, but that's like saying a criminal who killed someone in town A should be allowed to live happily in town B because he didn't kill anyone there, and isn't killing anyone there.

It's about as ridicules as they way Spoony presents his arguements. Either you agree with him or you are a fucking stupid retarded cheating insulting bitch. Or similar. That does not make any argument a viable, thus one doesn't even need to bother responding decently on it.

I know Spoony's opinion, all fine and dandy, but I cannot agree with the knowledge I have. That does not make me stupid or wwhatever, that makes me having a different opinion than Spoony. Sponny however, being thickheaded as he is, will continuing arguing (with the same arguments) until I/whomever stop replying and think he made is point.

Also he uses information that was trusted to him (being on TT) and uses it to suggest I personally killed CW (well, nearly anyway). That makes his arguments at least just as retarded as the post you quoted.
