snpr1101 wrote on Sat, 22 May 2010 18:55IronWarrior wrote on Sat, 22 May 2010 23:08I been thinking about playing Renegade again, but what would be a good server to play at.

n00bstories

TLS

Some how I doubt that IronWarrior likes Crimson, but n00bstories is still a decent server, lots of teamplay, pretty full daily. There's always Jelly, atomix, n00bless to play on as well I suppose.
