Those pictures aren't real. They were planned.

She is probably wearing a fat suit.

The only way to eat food from multiple fast food restaurants in one sitting is to travel to each place and buy food, hoard it up, and finally eat when you've collected enough.

No fat person has the patients or the will power to do that. Especially one who is too fat to walk.

or she has her husband go get it for her..which is what usually happens!!!@ sad very sad to many fat people in america
