Dude! I remember that name! You, havoc, ccfan, whitdragon, vikki, vloktboky, kamikash,  
BCbaddon, n00binator, dfer, hero, punkun, rtwgnut, dtrngd, dippy, thewall, mylummad, mav, lava,  
loki, falcon30, edecoder, mig29, ionos, then you had all the Kobra clan show up, KobraOps and  
KobraHigh and more, and that's not even counting those there from a long time back before me,  
wow, good times.
