cool arguments bro

except for the part that you, y'know, didn't actually answer shit, and simply linked to a video (which I'll admit is much more well spoken)

have yet to see what banning the burqa would do other than being an immature act

I'll definitely agree with anything involving taking away certain special rights that muslims get in Europe, but I see no reason to take away the burqa (stupid as it may be to wear around in Europe)

Just to clear things up, I hate how a lot of muslims just run into Europe and cause problems constantly despite hating it... it does nothing but give the rest of the muslims a bad name. But banning the burqa will not do SHIT.

Oh, wait, I forgot, you guys LIKE it when the muslims get pissed off and riot all the time in Europe
right?

riiiight?
