CnC3Maps.NET

Now that i became a bit CnC3 crazy again after playing some Art Of Defense maps i first decided i would expand game-maps's db but i figured it would be cool to have a site dedicated to CnC3 Maps primarily and some other content for CnC3 so i registered the site [www.cnc3maps.net](http://www.cnc3maps.net) for this purpose.

I hope you guys like the site, i am still very busy on it adding new maps and stuff all the time and maybe a mappack or two sometime later.

I'm also looking for someone or two who would like to help out with the site so if you are interested then drop me a message on [irc.mp-gaming.com](http://irc.mp-gaming.com) my nick there is zunnie (duh)

Thanks,

Greetz zunnie
