Our Havoc  
Who art in GDI base  
Thy Nod will come  
Thy pwnage be done  
On field as it is on Walls Flying  
Give us this day our daily credits  
And forgive our trespasses  
As we forgive Nod who trespasses against us  
And lead us not into the Obelisks path  
But deliver us from Stealth Blackhands  
For the the server,  
the Ref, WF and the Barracks are yours.  
Now and for ever until time limit runs out

Amen

that shit made me laugh
