HaTe wrote on Sat, 17 July 2010 19:12@ R31: Not really. Chances are that if a player uses a cheat for that long he doesn't even recognize it as cheating anymore, but how he plays. That's why it was so easy for Azazel to shit talk cheaters and everything, he eventually made himself believe that he wasn't even cheating. That's the true irony behind it all really..

sounds like we have our own Ted Haggard.
