@reborn & snpr1101: I have a team of programmers, modellers, and a couple musicians

I'd really like to believe you, but unless you introduce these people (specifically the programmers) everyone here will believe you to be lying, or a Walter Mitty type character.

Don't get me wrong, it's a nice idea, but perhaps you've taken the day dream a little too far?

I hope I am wrong.
