Goztow wrote on Tue, 10 August 2010 04:51 The only action which can have any impact, in your logic, is preventive action. I'm all for preventing but if you note something's going "wrong" (by your set of values), then one should act.

I have serious doubts if people would actually act like they say here if it was their own daughter in cause.

To what end, Goztow? You keep dodging the question. What good have snpr's actions done, besides making him feel big and manly?

nikki6ixx wrote on Tue, 10 August 2010 11:42... Or maybe some brothers just don't want their sisters giving blowjobs to greasy dudes in washroom stalls. :/

Especially greasy orange dudes :/
