theplague wrote on Sat, 07 August 2010 01:11 phew, i'm not the only one left! Good to hear from all you guys again!

Just got hold of andysh!

Anyone know where matty or mark are?

About the domain, still pending deletion

Mark was around about 6-8 months ago but then he disappeared again.

VashTS I think is still lurking and Agility moderates for me. MorDos (dunno if that name is familiar to you) is also around. He still has hold of the infantry mod.
