Subject: Ren Crashes when I pressa key
Posted by pngu1nsnp on Wed, 11 Aug 2010 23:55:35 GMT

I just installed ren again and started it up. I loaded MP Practice and all was fine until i looked around and tried to fire. As soon as i did so the game crashed, now i cant even hit the Esc key to skip the intro or any other key for that matter because it will crash. any help?
