As a matter of fact, yes, there is. An exact match too as it happens on an account which was registered on the 10th, the same day you created this topic. Somehow I don't think that's a coincidence...

Username: renxc

Not a username I am familiar with personally...

EDIT: After making some enquiries I have been told he also uses the usernames Blackwolf, cloud and Magnum and was linked to an APB leak not so long ago.
