As some of you may know, Petroglyph is having a competition to celebrate one of the mods for it's old Empire at War game. 15 people have a chance to win a steam key for EaW by guessing the subtitle of this mod.

But what does this have to do with C&C?

Ok the package is straight from the Westwood vault. It got donated to us from Petro a while back.

Yes! One of the last unopened boxes of Tiberium Sun Platinum Edition (complete with mini pewter figure and soundtrack cd).
