So Reborn is not alone now on the "never released" software island... Will it be released before Scripts 4.0? lol

[http://www.pcinpact.com/actu/news\\_multi/59155.htm](http://www.pcinpact.com/actu/news_multi/59155.htm) french article.

Official website:

<http://www.dukenukem.com>

They look for testers in Texas.
