paul0201 wrote on Thu, 09 September 2010 02:52Hi,
 I am trying to delete my account on Renegade. I have tried to un-install the whole game, but when I re-install the nickname and information is still there!

Please could someone tell me how to get rid of all the information.

Thanks guys.

I am curious if you're actually banned from somewhere, and are thinking that this might somehow help you get back in the server or something..?

Or perhaps you just want a new nickname?
