Any tips on how to use the Templars? I am trying to select and then use their Storm on waves of Zerg but I always end up hurting my own units AND the Templar!

btw, I can't wait to use the Carriers for the first time!

jeez, the last time a RTS game had me so excited was RA2 which I played from 2004 to 2007 non-stop everyday. SC is a gem...moreso for me because I prefer the old graphics.
