trooprm02 wrote on Mon, 11 October 2010 20:49Well, if you are saying it looks pretty random after looking at the data its sending, Xpert (who has played around with RR quite a bit) says he doesn't think it intentional (aka its a bug), and we both know Yrr won't be looking into it himself anytime soon lol...there really is no alternative.

Why won't I?  
If you have a bug, post it on <http://renegade.uservice.com>
