When I say best Ren players, I mean someone who knows the game, understands what's going on, knows what to do everytime and does that to always come out on top.

Doesn't matter public or CW, they should be good in any AOW games. This is what counts; they should have good skillsets overall in all categories. They should be so good that just having them in your team should give you a reassuring feeling.

Who's the best? List em now! You can list anyone you have noticed playing who seems to be exceptional.
