Dude you actually make me laugh, honestly, I can kinda see why people say that you're a cool guy. You're a joker, right?

People say talking to you is like talking to a brick wall. You REFUSE to accept anyone else's opinion if it doesn't match your own. Let's think about it.. If it was just me cos I'm Renegade cos I lost an argument why is it everyone else comes to the same conclusion?

Well no not really, both need someone who can actually talk to someone and not make them feel like you're better than them. Both require someone with drive. I'd say they had a lot in common with each other.

Have you or have you not said that you're better than everyone else at Ren? At running a CW ladder? At leading a team? etc etc That kinda gives off the impression that you're god.

Be honest now, it was kinda longer than 10secs, ok fine it wasn't exactly 10mins but still you were told multiple times and you just carried on. It was a mistake which happens, therefore that game you weren't the best Renegade player.

Come on now, you weren't 'smashing' tanks up at all. You whored on the strip for ages. I was the one who was smashing up tanks cos I was the one covering you with an orca. A higher score doesn't always mean better player, you generated a lot of points by whoring of the buildings, no? (Yeah you killed a few buildings, congrats) Yeah that guy on Nod made me lol when he tc'd and handed out credits.

All I'm saying is you need to stop classing yourself as Mr High Almighty which you seem to do on a daily basis.

I'm not furious with you Spooky, just think you're really hard to talk to and therefore makes you a prick

On a side note; I did enjoy playing with you for that brief time.
