GEORGE ZIMMER wrote on Mon, 15 November 2010 09:22the funny thing is, the people being butthurt about spoony generally suck ass, and the only way they get a high ladder score is by pointwhoring with a broken points system

Spoony knows what to do, and while he may not be the LOL BEST SNIPER EVER or some bullshit like that he's pretty damn good on his feet when it comes to leading a random team of people who don't normally work together

that earns him quite a lot of "probably the best" points

wtf are you even talking about
