Dont expect a patient answer as this has been discussed million times.

in short:

Q: Why do you want building bars?

A: They give you quicker access to building health status.

Q: Is that an advantage over the original ren?

A: Yes, of course. Otherwise you wouldn't use them.

"Cheating in online games is an activity that modifies the game experience to give one player an advantage over others. "

Same counts for most skins.
