are you saying i cannot lead a team? just because i generally dont like to tell people what to do in the most common of games (public) doesn't mean that i can't do this, no matter what u or spony says about this... im quite certain i have enough insight in this game to lead a team, but i just prefer not to, and if you dismiss that as not qualified for it simply because i choose not to do so, then be my guest.
