next time we do one of these I think we should do a lobby war with the team remix so the teams are more even.

Jelly has the best players in the ren community.

Depending on who shows up for renforums it can possibly be more even (if whiskey and tuna had of showed for renforums i'm sure the games would have been much closer)

but mike and TD also didn't play for us so yea.

It would be awesome to do a 15 v 15+ libby with the team changer.
