Edit: so yeah, carrier is probably right, you'd have to be obnoxious to assume your God is right

Nearly, to assume your God is right is fine.

To forcibly tell others that your God, or lack thereof, is right (and by implication, that their's, if they have a God, is wrong) is obnoxious.

To try to make your God's word law is obnoxious in the extreme.

Edit: Corrected for balance. Thanks for indicating, Altzan.
