Toggle Spoiler

Been playing it for around 2 months now. Running my own Classic and Beta servers.

Classic: Hawknet Freebuild (Up all the time unless there's a problem)

Beta: [hawknetcomputing.co.uk:25564](http://hawknetcomputing.co.uk:25564) (Is up on an on demand service)

Forums: <http://forums.hawknetcomputing.co.uk>
