ASG1221 wrote on Sat, 08 January 2011 22:50I thought all of you had died. I've been hoping xphaze was still around but on another game, guess not. I've been playing BFBC2 if anyone's on that. PC anyway.

As for ren, I pretty sure it doesn't work with Win7

Been playing BFBC2 and WoW myself. I know I wasn't a server regular but it was still a damn good one. Now to find Arthus98.
