Yes you could say it would stop some cheaters by stopping direct connect but at the end of the day its not like moderators do much now anyway, so it would give them something to do.

Moderators are rated on their ability to search other aliases the quickest now a days

I lol'd at that.

And I can't remember exactly, but I think I remember someone saying that it was going to go back to XWIS. Which, I'd prefer the direct connect as it is much easier.
