renalpha wrote on Sun, 20 February 2011 23:49team colors would be awesome, in the back.dds there is also a rotating animation. maybe you could do something with a team logo over there. would be epic.

That rotating is actually a still texture put on an animated plane.

DDS can't be animated afaik. Atleast not by itself.

EDIT:

I'm not sure but if you'd know the memory address of the mainmenu background, I guess you could change that once in a while to another image (scripts)
