Pretty sure he means the grittier based-on-reality look of C&C (vehicles mostly based on existing stuff, destroyed towns in the landscape, etc.) instead of the sci-fi cartoonish look of Renegade.

At least that's where he was going with Renalert...do you still have any kind of connection to them? Lord knows why they haven't moved to UDK a long time ago, but then again they're now lead by a pedophile.
