Goztow wrote on Fri, 25 February 2011 08:20 They also have a new forum, with a renegade section. It goes beyond me why in earth the two first stickies in that forum are about Renegade X. The third sticky is an outdated "how to register" sticky. No mention of renegadeforums for the moment. *sigh*

We could go and nag about Renegade bugs on their forums and ask when they'll patch them :+

Then again, if EA barely knows where their own source code is stored, I bet it won't help a single bit
