IceSword7Umbral_DelaFlareUsmi16No ur wrong ice can do that cuz no 1 opposes him. If u want him to stop claiming he is the best its simple. Play him. He can say it all he wants and u really cant say he aint until u play him. Instead of sayin u have no respect or have no time for it play him try to prove him wrong. Stop dodging with excuses. Cuz until then he is better than u.

No one opposes Ice because they are tired of his "OMFG LIEK I RUUL YUO AT TIHS GAEM!!!!1111" ramblings. You obviously don't know this, and you worship him as if he were the greatest thing since sliced bread.

And there is something called an opinion. Have you heard of it? It's what a person thinks about a certain subject. And it is TWO opinions (you and Icewang) against many. You can go ahead and separate yourselves from the rest of us, claiming that you are the best. But do you? No, because both of you are attention whores who want people to bow before you.

Nice try, kiddo, but your little argument is severely flawed.

If you were tired of my "OMFG IEK I RUUL YUO AT TIHS GAEM!!!!1111" that would be a good reason to play me wouldnt it? They would be trying to shut me up by playing me wouldnt they Smart One?

And you say "kiddo, but your little argument is severely flawed." how do you figured they are flawed we are calling you n00bs and thats what u are, n00bs. I see no flaw.

1. We grow tired of you, therefore we ignore you. Simple as that.
 2. Back up your statement, Sparky.
