lolols SUPERB STARRY SKIES TONIGHT couldn't resist so just returned home with frozen fingers after an hour outside in the trails. here's my ride:

I only ride for recreation/exercise everyday. Otherwise I drive to work as the road is dangerous with no shoulders for bikes.

Perhaps at your side of the pond. Here more people have one or more bikes than cars. Hell, I'm a student and even I got 3 normal (city/urban) bikes, one "beachcruzer" (which is for sale) and a mountainbike.

so many bikes! I myself want to get a regular roadbike soon in addition to my mountain bike as my current bike is freaking heavy.

@R3: Can you tell me the name of your bike? make/model?
