Weird let me rezip / reupload it.

I'll edit this post when it is done.

Edit: I have now rared it up with normal compression it should work now.
I'll be trying it out myself as well give me a message when it works for you guys.

It seems the ftp is acting up its breaking of the connection.
Sigh.

Last Edit: I have added a second download link it seems the renz0r ftp has some temporary troubles -> <http://www.megaupload.com/?d=51W0JEKR>
