The year isn't over until 23:59:59.999 on December 31st!

orly? @23:59:59.999 on December 31st the year still isn't over imho, there's still 1ms to go!

but anyways, is there still no `_public_` beta of scripts4.0/tt i could get my hands on? or did i just miss something?

"TT, Y U NO RELEASE PATCH?"
