HaTe wrote on Thu, 07 April 2011 12:22I thought it was of arrival. Renegade will be long dead before it's released anyway. People will still accuse others of cheating even after it's released either way. TT could care less about Renegade anymore imo....sure, they used to. Now it seems like there's maybe one or 2 people who even work on it more than once a month. Player counts are about the same as they were last year, if TT releases this year it'll all be fine.
