Wilo is king and if he wants his little minions to stay, they stay. Biggest asshole community I've ever seen (and I've seen a lot!).

Wow serious issues with you Spyder. You even know who the moderators are? I bet not. They don't care? LOL yeah you are a great source to know this. WTF is a asshole Community? What has your panties in such a wad about st0rm? Jealous that st0rm is a fun community where we all get a long and have a good base of regular players?

To all: we take cheaters very seriously and have the same issues that any other community has from time to time. If we have a cheating mod, it will get sorted. It has in the past and I know it has in other communities. I can speak to facts as I have been a part of most communities since the start of Renegade.

Apparently, you don't know me. I have contributed to the st0rm community in the past. There was no thank you or whatsoever, the only thing I got in return was a perma-ban until my ISP renewed my IP address.

These days I still join the server every now and then and nothing has changed. Still the same moderators (and yes, I DO know them).

Definition of an "asshole community": st0rm gaming

I heard Wilo say: "I want st0rm to become one of the biggest communities ???(renegade, world, something, can't remember exactly) has ever seen. Well, if he continues to play it like this, he is far from becoming what he desires."
