I don't want to be like Spoony, no; and he's not the only one to do long-ass, broken quotes.

HaTe wrote on Fri, 22 April 2011 22:03This is the general discussions forums bro, not the heated debates. I know it's hard for you to understand, but if you truly put your mind to it, anything is possible!

Right, because I can't argue anything until it's moved there first.
Come on, now.

Quote:a statement that is assumed to be true and from which a conclusion can be drawn

A definition that uses the word in the definition? No thanks

What would you call it, then? Making claims instead of assumptions? I guess that does fit better.

HaTe wrote on Fri, 22 April 2011 22:03You're telling me you aren't getting emotional about a game thats graphics and gameplay consist of putting blocks together?

Yep.
