danpaul88 wrote on Sat, 16 April 2011 02:50 Curious how the only game mode to make it into release is the one marked as 'not yet implemented' in that document. Suggests that at some point in renegades development all of those other modes existed in some form but the C&C mode we know today did not.....

Sure EA scrapped them when they took over just like they did with a lot of the old graphics and some of the vehicle occupant driver systems (And other things).
