x50c3ntROFLMAO! I guess you dodged my challenge again Professor Kirby. LMAO still dont want to play me in a 1v1? LMAO in every post you make you dodge or seem to leave out the fact that this is still a game thats s'pose to be played. But you rather stay in these forums all day correcting other peoples spelling? ROFL your pathetic

And England, is that a no then? You didnt say yes or no. So i guessed you dodge also? LMAO "dont play with fire", ROFL stfu you school girl, i am fire you lil pussy.

You see none of you will play me. You can correct my grammar or spelling how many fucking times you want, but bottom line is its still a game, and you fools choose to bicker over it than play it. And it eats you up inside becuz you know i'm right. So what do you do? You resort to a different kind of arguement - correcting other peoples spelling over a game. LMAO you fools are funny :twisted:

Yes, it's ALMOST as pathetic as resorting to "1 v 1 omg!!!!!!11111111!"

Oh, and we play this game, just not with you.

You are like the kid who never gets picked for dodgeball.

"Sit on the bench fat kid. "
