Dabbled with it in 2003 (17 then) but my Internet was a crappy 56k modem so never touched it until I graduated from Uni in 2007 (age 22), following summer I purchased First Decade. Played relentlessly between 2007 - 2009. Now I sparingly go on even to this day. Though back in 2007 it was still buzzing, lots of players, activity, communities, I feel sad at what its become now...
