mrchance1 wrote on Thu, 21 July 2011 17:22Man oh man. I love coming to these forums once and awhile and finding some great rene drama. It a dark day for humanity indeed when people can't be mature about things. From what I'm seeing here is that both sides are wrong. I think all of you should kiss and make up. Then maybe the world would be a better place.

that will never happen.
