hey yall, just like the subject says, im new at using renx/gmax and even the ren mod tools.... i would love to make my own map, but i cant really make a good 1..... i can modle any of the basic shapes, nothing more, just look at those hills, and mountaing is ACKs maps!!!! i dont really want nething fancy like that, just some landscape.

also, i would like help on skins and veicals. i know im sounding retarded and such, but hey, ya gotta start some where!
