FekLeyrTarg wrote on Sun, 07 August 2011 15:47Honestly I didn't have much fun. It lagged too much, I couldn't aim and I was always shot down. So I decided to leave after about three quarters of an hour. (No offense)

I was in Germany when I was playing.

Well, since the server is located in Europe (Germany or the Netherlands, unsure) it was probably your connection that was acting up unfortunately.
