Oh man. Whatever will i do now!? JarHead's reasoning and attention span can be bettered by the majority of third graders anyway. So, not much of a loss on my part.

I just remembered this topic:

<http://www.n00bstories.com/forums/index.php?t=msg&th=14611&start=0&rid=11200>

There was like 4-5 people posting what they dislike about NS, so he went and deleted their posts. It wasn't even anything harsh neither, just cold hard facts that he couldn't handle apparently. The first post in the topic quite clearly states to post what you like or dislike. But once again, image is everything.
